Dear Faraday Community,

Welcome to a brief but to-the-point newsletter this week so you can spend as much time as possible outside enjoying the warm weather and perhaps your last BBQ of the season !

Have a great weekend.

Mr Mac

Friends of Faraday.

Thank you to all of those families who have stepped forward to tell me you'd like to be involved with the Friends of Faraday. I'll get back to those volunteers shortly to discuss how best to progress.

Open Morning for Current Parents

Please come along next Friday morning to spend the day with your children in school. We will open the doors to parents at 9.00am following registration. You are invited to stay and experience assembly, the first lesson of the day, snack (bring a healthy one!) and first play time. We will be asking parents to leave after first play (10.30 ish) so that we can carry on with the rest of the day. Don't forget to come in jeans – **see below** !

Jeans for Genes

At Faraday we like to support children's charities over the course of the year. On October the 7th we invite the children to come to school wearing jeans and not school uniform in exchange for one pound.

Book Bags

Were scheduled to be here today ... I'm still waiting!
