Karneval

In parts of Europe at this time there is much celebration (see attached sheet from Dorothea Schwenk – Richard’s mother)! To share in this season we thought that it would be fun for the children to dress up and celebrate on Friday. Please dress your child in any sort of costume which they might have in the cupboard, such as a clown, princess, or pirate. Please avoid Halloween characters as some children (including me) are very frightened by these images.

We will look at fairy tale characters, have a costume parade, a mask-making session, and run relay races over an obstacle course in PE. To fall in with the German tradition, some sweets will be distributed to the children as they leave. **Please let me know if you do not wish your child to have a few sweets!**

Many thanks to Dorothea for instigating this delightful German tradition.
