She has extensive experience in state and independent schools and her departure from Maple Walk has been greatly regretted by Maple Walk parents but the incoming parents for Stephenson can feel confident that they are placing their children with a very competent, caring and committed Head.

Mrs Powell is married to Mark, an Anglican priest, and has two delightful children of her own.

A message from Mrs Powell

"I am delighted to have been appointed as Head of Stephenson School. Maple Walk is a very special place for me and I am sorry not to be moving to the new school with the brilliant team of staff, and their excellent Head - Sarah Knollys. Although I have my own gifts and strengths and Stephenson will develop an identity of its own, I aim to continue all the good practice that has been implemented at MW so that there is some continuity within the New Model Schools."
